

## APICS CSCP Certification

The APICS Southwest Michigan Chapter has scheduled the following 13-week CSCP program, **Wednesday evenings, from 5:30 pm – 8:30 pm**. The session dates are **February 1, 8, 15, 22, 29, March 7, 14, 21, 28, April 4, 11, 18, and 25**.

Our instructor-led format combines the Newly Revised APICS CSCP Learning System print and online components with the leadership of a qualified instructor, peer collaboration, company networking, and a structured schedule to keep participants on track.

The APICS CSCP Learning System instructor-led program is ideal for supply chain professionals who:

- Prefer to learn in a structured classroom setting or need a set schedule to keep them on track
- Enjoy peer discussion and live instruction from a qualified instructor
- Have the desire to compare ideas and notes with individuals in other companies addressing the same challenges

The APICS CSCP Learning System includes the following:

- **Print components**
  - Four easy-to-understand modules with more than 800 pages of content covering the entire APICS CSCP
  - Exam Content Manual
  - Progress check questions at the end of each section to ensure that you understand the concepts
  - Student Slide book
  - CSCP Exam Content Manual
- **Online review and practice testing tools**
  - Practice test bank of more than 600 multiple-choice questions
  - Pre-test to measure initial level of knowledge
  - Module-specific tests with immediate feedback, answer rationales, and text references for easy review
  - Timed post-test to measure progress and preparedness for the CSCP exam
  - eFlashcards to review terms and definitions and online glossary for quick reference to terms
  - Online progress report to track scores and completed exercises
  - Online Information Center provides additional resources, references and feedback opportunities.
