

The APICS Southwest Michigan Chapter, in conjunction with the APICS Western Michigan University Student Chapter, is pleased to announce the scheduling of APICS Certified Production and Inventory Management (CPIM) modules on the Western Michigan University campus. This pricing is good through the end of 2012.

A CPIM education can help you to:

- Increase your functional knowledge of production and inventory management.
- Improve efficiency across the processes of your organization's supply chain.
- Streamline operations through accurate forecasting.
- Predict outcomes more accurately.
- Maximize customer satisfaction by delivering products and services Just-in-Time.
- Increase profitability by optimizing your organization's inventory investment.
- Enhance your credibility among peers, employers, and customers.
